

Contribute to research and make a difference!

Are you the parent or primary caregiver of a child with a disability? Would you like to contribute to research at Northwestern University on a new sibling survey?

If you have

1. A child with a developmental disability (e.g., autism, cerebral palsy, Down syndrome) living at home
2. At least one child 4 years or older without a disability living at home

You may be eligible to participate in an online survey that takes 15-30 minutes to complete.

If you are interested in taking the survey, please visit
